

## PARTNERSHIP PROJECT PROPOSAL REQUIREMENTS

---

As EQUIP and our prospective Alliance Partners lay the foundation for an ongoing relationship, conversations will explore possible joint projects.

As specific projects begin to be agreed upon, the following information will be needed:

- ▲ Alliance Partner Name
- ▲ Website
- ▲ Contact Information
- ▲ APs Internal Project Name, if applicable
- ▲ Project purpose (what the project will accomplish)
- ▲ Project plan (details of how the project will be carried out)
- ▲ Strategic elements (what makes the project significant)
- ▲ Project outcomes (ways the success of the project will be measured)
- ▲ Project staff and leadership
- ▲ Project financial information (how will the project be funded)
- ▲ Evidence of financial solvency and accountability external audit (e.g. ECFA, Guidestar rating)
- ▲ Prayer requests and strategy
- ▲ Two outside references (if AP is previously unknown to EQUIP)
- ▲ Other supporting information
